

REMARKS

Claims 1-58 are pending. Claims 12, 13, and 15-58 have been canceled. Claims 59-60 have been added. No new matter has been added by way to these amendments. Support for the amendments can be found, for example, in figures 18 and 19.

Restriction Requirement

The Examiner has required restriction between Groups I through XXIII. Applicants hereby elect Group II, claims 11-14, 16, and 39, without traverse.

New claims 59 and 60 depend from claim 11 and further limit the subject matter of this claim.

Applicants expressly reserve their right under 35 U.S.C. § 121 to file a divisional application directed to the non-elected subject matter during the pendency of this application, or an application claiming priority from this application.

Applicants request examination of the elected subject matter on the merits.

CONCLUSION

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejection of the claims and to pass this application to issue. If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 511582005020. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
